WORK EXPERIENCE

STRIPE / Curriculum Developer / 2021 - 2022

- Bootstrapped brand new training and certification team within Stripe's Professional Services organization.
- Led the creation of videos, the curriculum process (ADDIE), and instructional design standards.
- Developed partner training program (eLearning & ILT) with exceptional feedback, 4.9/5 overall satisfaction ratings.
- Wrote Stripe's first associate-level certification exams for implementation architects and sales professionals.

SAP LEARNING / Senior Consultant / 2019 – 2021

- Redesigned content creation process, including the addition of instructor narration and introductory videos.
- Planned, implemented, and managed third-party trainer initiative enabling partners to deliver Ariba courses.
- Administered training systems globally for all SAP Ariba courses and improved system setup time from hours to just minutes by creating a web app to automate the setup process.
- Mentored struggling team members and provide actionable suggestions and motivation.

SAP Ariba / Senior Consultant / 2015 – 2018

- Designed and authored first 4 professional consulting certifications for SAP Ariba and supporting courses.
- Built and maintained training systems for all modules within the SAP Ariba suite of products.
- Developed popular training courses, including Procurement Admin, Integration Points, and Purchasing Overview.
- Planned, launched, and moderated Ariba's first online learning community, growing it to over 5,000 learners.
- Acted as team lead in resolving complaints, training new team members, and providing ongoing daily support.

ARIBA / Senior Consultant / 2007 – 2014

- Delivered training sessions at all stages of SAP Ariba software implementations for 300+ customers.
- Authored a number of ILT courses on SAP Ariba products.
- Built first virtual ILT program for Contract Compliance.

GEORGIA INSTITUTE OF TECHNOLOGY, B.S. Computer Engineering

Summa cum laude, 3.8/4.0 GPA

AWARDS

SAP Ariba Global Services: "Unsung Hero" Award for 2017

- Recognized for my work building and maintaining training systems. Managers nominate team members for this award, and all managers from the services org globally vote for a winner. I am especially proud of this award because my team was not even part of the services org at this time.
